*Pooling Together for Good Health*

## *Elderfit Annual Spring Luncheon*

**On June 6th, 61 Elderfit members and guests met at the Chester Basin Legion to celebrate the arrival of spring together! The facility was wonderful and the staff made us all feel welcome! Thanks to Lynne M for jumping in as emcee at the last moment - we knew she'd do a good job! Susan S presented notes on the 5 Elderfit Legacy Members and applauded the Board Members and Instructors for their dedicated efforts! Greta M read the info on the newest inductee to the Legacy Members, Susan McDormand. The winner of the \$140 50/50 was Natalie, the Legion Auxiliary organizer of our Luncheon! The first ever Elderfit Auction was a lot of fun, as you'll see on the next page! Table mates scrambled to pool their money and make the top bid on some things while determined individuals kept bidding to get one of the sought after items! Congrats to the Social Committee (Rosalie Studley, Lynne McDormand, Jeanne Fay) on a great event! Next on the Elderfit social calendar will be the annual Picnic in early September, usually a Thursday after Labour Day - it's a BYO everything event with no money involved! Watch for details when the planning is done!**

## *The Maudie and Muggin's (Maggie's twin bro) Show!*

Muggins flirts with Liz! Looks like she loved it!!!

Helpful Maudie offering her tweezers for any unwanted chin hair! Let it all hang out!

M & M conduct a very successful auction of the items on the right...some pretty competitive bids!

How many members got new drawers??
